PUBLIC LIBRARIES AGENTS FOR GOOD

AMERICAN LIBRARY ASSOCIATION ENLARGES ITS PROGRAM.

EFFECTIVE FOR ADULTS

Will Prepare Reading and Study Courses and Particularly Study Courses in Citizenship.

Washington, D. C., March 3.—Heartily commendation of the "Books for Everybody" movement of the American Library Association in its enlarged program is contained in a statement today by P. P. Claxton, commissioner of education, department of the interior. The project of extending opportunities for public self-instruction by providing greater library facilities throughout the United States appeals to Commissioner Claxton as one of the most effective agencies to promote the highest type of citizenship. He declared today that he was especially interested in the establishment of the county library system on a far broader plane, one of the main features of the association's program.

"The public library," said Commissioner Claxton, "is one of our most effective agencies for public education—possibly the most effective of all for older boys and girls and for adult men and women. No people may hope to become broadly educated and cultured who do not read. Only when good collections of the best books are within easy reach of all the people may we hope that most of them will read as they should."

"I am delighted to know that the plans of the association include the preparation of reading and study courses, and particularly study courses in American citizenship. These will be very helpful at this time, when the people of the country are interested in never before in what has come to be called Americanization."

"But I am most interested in the plans for the establishment of county libraries. Very few of the people who live in the open country and in villages and small towns have access to any adequate collection of books. In more than two-thirds of all the counties in the United States there is no library with as many as 5,000 volumes. It is, however, just these people of the small town, the village and the open country, who have most time for general reading and who would use good libraries to best advantage."

PRESIDENT WILL NOT BE THIRD TERM CANDIDATE.

BRONZE SERVICE MEDALS GIVEN BY STATE READY

Can Be Obtained by All service Men of Nodaway County Whose Record Is With County Clerk.

The bronze service medals given by Missouri to all men of the state in the service of the United States during the world war are now ready and may be obtained by all soldiers or sailors from Nodaway county, whose record of service and biography are filed with the county clerk according to the requirements of the state.

These medals bear the state seal and the date of the war on one side and on the reverse the words signifying why it is given. Before any service man of this county can receive his medal, his record must be filled out and in the hands of County clerk, Fred Smith, John Muir, adjutant of the American Legion post, has copies of the blanks and will aid any man in filling out his record. A large number of the medals will be distributed to Legion members at the second meeting in March.

FARM BUREAU PRESIDENT TO ATTEND NATIONAL MEET

John R. Evans in Chicago. Executive Committee of Missouri Federation to Hold Conference.

John R. Evans, president of the Nodaway county farm bureau, left last night for Chicago to attend a meeting of the American farm Bureau federation. Mr. Evans is also a member of the state executive board of the Missouri federation. He was chosen delegate from Nodaway county annual meeting of the Nodaway county organization held early in January.

The executive committee of Missouri will also meet while at Chicago convention for a special conference for the purpose of deciding whether or not the state federation should employ an executive secretary at this time.

James Kegin is slowly recovering from a severe injury to his left eye which he suffered about three weeks ago. The eye ball was ruptured but the wound is healing nicely and the sight will be restored. The injury was inflicted by a piece of wood which struck Mr. Kegin in the eye while he was chopping wood.

SHATTER OSLER THEORY IN OHIO

OLD MEN AWAKENED TO TRUTH REGARDING USEFULNESS.

TAKE WELL-PAYING JOBS

Quit the Poor House to Land Jobs Paying From \$20 to \$30 Per Week.

Cincinnati, Ohio.—The famous Osler theory regarding the age boundary of usefulness is being shattered daily in Ohio. The various county poorhouses bid fair to become useless institutions, for the old men are becoming imbued with "young ideas," and are stepping forth into well-paying jobs. "The industrial world and the old men have awakened to the truth that they can and should combine successfully to the well being of both," one very large Ohio employer said today. "It is a new idea and it is working out."

For several years, one old fellow out at the city infirmary, near here, a chap who is nearing his eventful year, was cloistered from the world, raising away, and spending his hours in gloomy contemplation and memories. Along came the new idea.

"Say," exclaimed the old man to Superintendent Proctor, "I was a good shoemaker in my day. I'm still a good shoemaker."

The old fellow cheerily said "Good-bye," and is now earning \$30 a week, and in the evenings may be seen at downtown theaters and in other public places. Others, as old, or nearly as old, have discovered they have "pep" and have landed jobs at from \$20 to \$30 a week. Many of the women at the infirmary likewise have departed and found employment. In all, the southern Ohio infirmaries here lost more than 200 men and women in the last few months, because of the high wages paid.

Numerous old men who had retired long ago to the privacy of their homes have learned that the world is welcoming them back and that it has discovered that there is no such thing as a "has been." In short, there is work and there is fun in the world for the Ohio old man, so-called. Probably 500 of these have resumed work, which is at least some slight relief in the shortage of man power.

Dutch Luncheon.

The members of the cast of "The Masonic Ring," a play which will be given by the advanced seniors of the Maryville High School tomorrow afternoon, enjoyed a pleasant affair at noon today in the form of a Dutch treat luncheon. The luncheon was served by Miss Anna Bannum and Miss Katherine Carpenter in the foods room. Those present were Ruth Bookman, Grace Tebow, Mona Marie Everest, Gladys Sewell, Charlene Pugh, Mildred Nicholas, Miss Marie Hart, Miss Bannum and Miss Carpenter, Jack Rowlett, Harry Price and Chilton Robinson.

Surprise Party.

A pleasant surprise party was tendered Mr. and Mrs. Henry Pivers and Mr. and Mrs. Harry Pivers at their home northeast of Burlington Junction, as they will soon move to their new home west of Maryville. Mr. and Mrs. Henry Pivers have lived in that community for twenty-one years. Music, singing and games furnished entertainment for the evening. A collation was served by the surprised who included Mr. and Mrs. Ed Griffer, Mr. and Mrs. Amos Hayes, Mr. and Mrs. Fred Griffer, Mr. and Mrs. John Cooper, Mrs. Susan Hayes, Mr. and Mrs. John Hayes, Mr. and Mrs. John Miller, Mr. and Mrs. George Saxon, Mr. and Mrs. Henry Sweney, Mrs. Cooper, Mrs. Emma Shields, Mr. and Mrs. Everett Griffer, Misses Effie Gray, Margaret and Blanche Griffer, Laura Shields, Ida and Bernice Griffer, Maxine Miller and Pauline Griffer; Cecil Hayes, Harold Saxon, Eddie Gray, Jimmie Meeks and Joseph Gray.

Study Oriental Countries.

Only eight members of Circle No. 5 of the First Baptist Church Auxiliary were present at the meeting held yesterday afternoon at the home of Mrs. T. J. Wallace, 202 South Buchanan street. The last chapter of their text book, "Women Workers of the Orient," which was entitled, "The Call for the Leaders," was the study for the afternoon. Papers were read by Mrs. Herman Bull, Mrs. James Ringgold and Mrs. T. J. Wallace. This was followed by a round table discussion on various topics relative to the chapter study.

A "pep" assembly was held at the high school this afternoon in anticipation of the game. The regular lineup will be used by Maryville.

CITY COUNCIL TO HOLD ADJOURNED MEET THURSDAY

Revision of Street Ordinances Left Over on Account of Absence of Commissioner Curdman.

The regular monthly meeting of the city commissioners held last night was devoted to the payment of bills and the transaction of the regular business of the month past. The discussion of a revision of several of the city ordinances, which was to have come up last night was postponed until Thursday night on account of the absence from the city of Commissioner R. J. Curdman.

The ordinances tabled for revision are those governing the up-keep of park ways and streets.

TWO DISTRICTS SELECT TO G. O. P. CONVENTION

Third and Fourteenth Delegates Are Uninstructed But Are Friendly to Governor Lowden.

Excelsior Springs, March 3.—Col. "Le" Morse's Third district machine ran smoothly at the district Republican convention here yesterday. As a result, two delegates friendly to Governor Lowden of Illinois were selected to represent the district at the Chicago convention.

The delegates are L. F. Dehart of Clinton county and Dr. E. R. Lindley of Gentry county, were "uninstructed" in pursuance of the policy of certain state leaders, who want to be in a position to climb on the "band wagon" should some other candidate than Lowden develop unusual strength at the national convention.

West Plains, March 3.—Republicans of the Fourteenth congressional district of Missouri yesterday named two delegates to the national convention in Chicago in June. The delegates were uninstructed but resolutions were passed expressing belief that sentiment in the district is favorable to the candidacy of Governor Lowden of Illinois.

HOLD 'P' CHALCASSES IN EVANGELISTIC TRAINING

Six Topics Discussed and the Series Will Continue Six Weeks at First Methodist Church.

Tonight at the First Methodist church will be given the first of a series special classes for the study of topics relating to the evangelistic side of church endeavor. One hundred and twenty persons have signed up as members of this class, and the meetings will be held at eight o'clock each Wednesday night in the First Methodist church.

The instructors and topics are as follows: Prof. C. Edwin Wells—"A Christian Crusade for World Democracy." Prof. H. P. Swinchart—"Christian Democracy for America." Prof. Harry A. Miller—"Meaning of Church Membership." Prof. C. C. Leeson—"Meaning of Church Membership—Junior Department."

E. M. Houschins—"Training the Christian Reserves."

Dr. G. S. Cox—"Evangelism."

All of these classes meet simultaneously but in different rooms of the church. They are not denominational and any one is welcome to attend and may select which ever class they prefer. The work is a part of the general Pre-Easter evangelistic campaign put on by all churches.

TWO BASKET BALL GAMES AT COLLEGE

KIRKSVILLE AND S. T. C. TEAMS PLAY THURS. AND FRI. NIGHTS

SCHEDULE ENDS MAR. 19

Final Game for College "Bear Cats" to Be Played With Tarkio.

The Kirksville "Bull Dogs" of the Kirksville State Teacher's College will come to Maryville for a two game basketball series with the Maryville "Bear Cats" tomorrow night and Friday night. The local team was defeated earlier in the season at Kirksville by a score of 25 to 23. The teams are well matched and these two games should be about the best games of the season. Coach Rice says that his lineup will be practically the same as he has used in the preceding games of the season. It is reported that Caldwell Kirksville center is their star player, will bear close watching in these two games. Thomas of Tarkio will referee the game Thursday night and McKillop of Tarkio College will referee the game Friday night.

The first of these games is the regular schedule game of the conference. The second on Friday night is arranged on account of the cancellation of a game set for that night between the Tarkio college and Kirksville teams, which the Tarkio teams cancelled today on account of the inability of several of the team to play.

The last of the series for the Bear Cats will be played March 19 at Tarkio with the Tarkio college team.

OBITUARY.

Conception Abbey, Conception, Mo.,
has lost one of her oldest members in
the person of Rev. John Conrad, O. S.
B., who died at St. Joseph's Hospital,
St. Joseph, Mo., Monday, March 1, 1920,
at 6:30 p. m. He was for a time help-
ing at St. Stanislas Church in that city,
and in his usual health. But Monday,
February 22, he commenced to feel bad,
though nothing alarming showed up
until Friday, when he was taken to St.
Joseph's Hospital. On Saturday his
physicians discovered a hemorrhage of
the brain, and on Sunday noon his con-
dition got so alarming that his brother,
the Rt. Rev. Frowin Conrad, Abbot of
Conception Abbey, Conception, Mo.,
was called to his sick bed, who just
arrived on time to be present at the
administration of the last rights of the
church, given to the stricken priest by
the Rev. Father Hefele, St. Francis
Xavier Church, St. Joseph. At times
the patient was unconscious, but had
his full mind when receiving the Holy
Sacraments. He then lingered until

Monday evening when he peacefully
rendered his priestly soul to His Maker.
Rev. Fr. John, as he was always known
in Conception and in a great many
places in the state of Missouri, was
born in the canton of Aargau, Switzer-
land, on May 27, 1851, the son of a
family which gave the Catholic Church
two priests, of whom three are living.
Viz: the two Abbots Frowin Con-
rad, O. S. B., Conception, Mo., and
Abbot Ignatius of Subiaco, Ark., and
the Rev. Pius Conrad, O. S. B., chaplain
of a Benedictine Convent, Chevalah,
Wash., whilst another member of the
same family, Peter Conrad, born with
only one arm and therefore unable to
become priest, became an attorney and
one of the greatest statesmen in his
native canton. Father John came to
Conception in December, 1879, after
having finished his classical studies in

Switzerland, and on January 1, 1875,
took the vows as a Benedictine and was
ordained priest on September 29, 1877.
Since that time he was a most zealous
missionary and occupied with the care
of souls, for about fifteen or more
years as pastor in Clear Creek, Mo.,
then for many years assistant pastor in
Maryville, Mo., and in the last years
helping other priests wherever he was
called to. He was kindhearted himself
and always happy to do others a ser-
vice, and therefore liked wherever he
went to. No doubt his loss will be
keenly felt not only at Conception, in
his monastery, but in many other places.
May he rest in peace.

**WHO'S GOING TO PULL
TEETH IF DENTISTS STRIKE.**

Portland, Ore., Feb. 2.—Portland physicians, surgeons and dentists may form the first union of professional men to seek affiliation with the American Federation of Labor. Otto Hartwig, an organizer of the federation, is now in Portland endeavoring to bring about the formation of such a union.

According to Hartwig the medical and dental men will demand the following:

An eight-hour day.

The right to picket offices of non-union medicals.

The right to indulge in the "sympathetic" strike.

A "living fee."

Persons who do not take the movement seriously have suggested that the organization be called the Associated Union of Dissectors, Pulse Takers and Prescribers.

New discoveries are being constantly made, and those who fail to take advantage of the wonderful accomplishments of men of science will continue under the handicap of disease.

Your eczema, tetter, boils, pimples, acne, scaly skin eruptions, and burning fiery irritations that cause so much discomfort by their terrifying itching, come from a tiny disease germ in your blood, which multiplies by the millions. These germs find some weak spot where they can break through the skin and set up their attack, and if you have ever had any form of these skin disorders, you know what real torture is.

The reason these disorders appear so stubborn and hard to get rid of, is because they are not given the proper sort of treatment. In other words, the irritation and itching becomes so intense that the patient thinks only of relieving this discomfort instead of directing his efforts toward getting rid of the cause of it all. Hence the constant use of lotions, salves, soaps and ointments can make no

impression whatever on your trouble, other than to afford some temporary relief.

But why be content with mere temporary relief? Are you not desirous of being permanently rid of this annoying trouble that is a source of such constant torture? Wouldn't you give almost anything to be once more free from the itching and burning that makes your skin seem like it was on fire?

Then throw aside at once such makeshift treatment that can only reach the surface, and begin taking a remedy that goes direct to the source of your trouble. Go to your drug store, get a bottle of S.S.S. and begin a thorough course of this fine old blood medicine that kills the germs that creep into the blood and cause all of your skin discomfort. S.S.S. is a purely vegetable compound, made from roots and herbs of recognized medicinal value. It so thoroughly cleanses and purifies the blood that the germs of disease are eliminated, and then real relief comes.

This fine old remedy is the sane and sensible treatment for your skin disease, as you will find by giving it a trial. If your case should need special advice, it can be had without cost to you, by writing to Chief Medical Adviser, 14 Swift Laboratory, Atlanta, Ga.

Pyrex Cooking Ware

Pyrex Glass Cooking Ware is the greatest achievement that has ever been made in this class of utensil. Pyrex Glass saves fuel, because it takes less heat to cook in glass than in any other material. It saves food, because there is less loss in cooking and foods are so much better cooked in glass. It saves work and waste because foods cook so easily and perfectly. Bread baked in Pyrex raises higher than in a metal pan. Pie baked in Pyrex bakes on the under crust just the same as on top.

Pyrex Glass will not break from heat. The makers are so sure of this that they tell us to replace any piece of Pyrex broken from oven heat.

We have just received a very large complete line of Pyrex ware both in complete sets and in single pieces.

Complete sets consist of 11 pieces: Bread pan, Casserole, Pie Plate, Oval and Round Dishes with handles, and 6 individual bakers.

Sets in plain Pyrex..... \$7.50

Sets in figured Pyrex..... \$14.50

Single pieces of every kind at proportionate prices.

Can You Imagine a Blue-Bird?

We have no picture of the Blue-Bird Electric Washer.

It is the same washing machine you have seen advertised in all the magazines.

It is the finest electric washing machine made.

It is a white porcelain cabinet washer almost nice enough to keep in the parlor.

If you can't imagine it from this description, see it in our window and then come and ask us about it.

We Have Plenty of

Maytag Electric Washers

We buy Maytags by the carload. They are the most moderate priced, dependable electric washing machines on the market.

You can handle a MAYTAG with the greatest ease, and it will do your washing almost without attention. The MAYTAG is a round tub washer built of selected cypress, bound with strong iron hoops and the washing is done with the peg dolly. It is perfectly smooth inside and pegs will not tear or wear out clothing, simply washing it much in the same manner that it is rubbed on a board, but with really less wear.

The secret of the good work of the MAYTAG lies in the fact that it will keep the water boiling hot for a good sized washing of three tubs full and force the hot suds through all of the clothes, thoroughly cleaning them. The wringer can be turned in any direction and clothes may be wrung while the washer is running or while it is stopped.

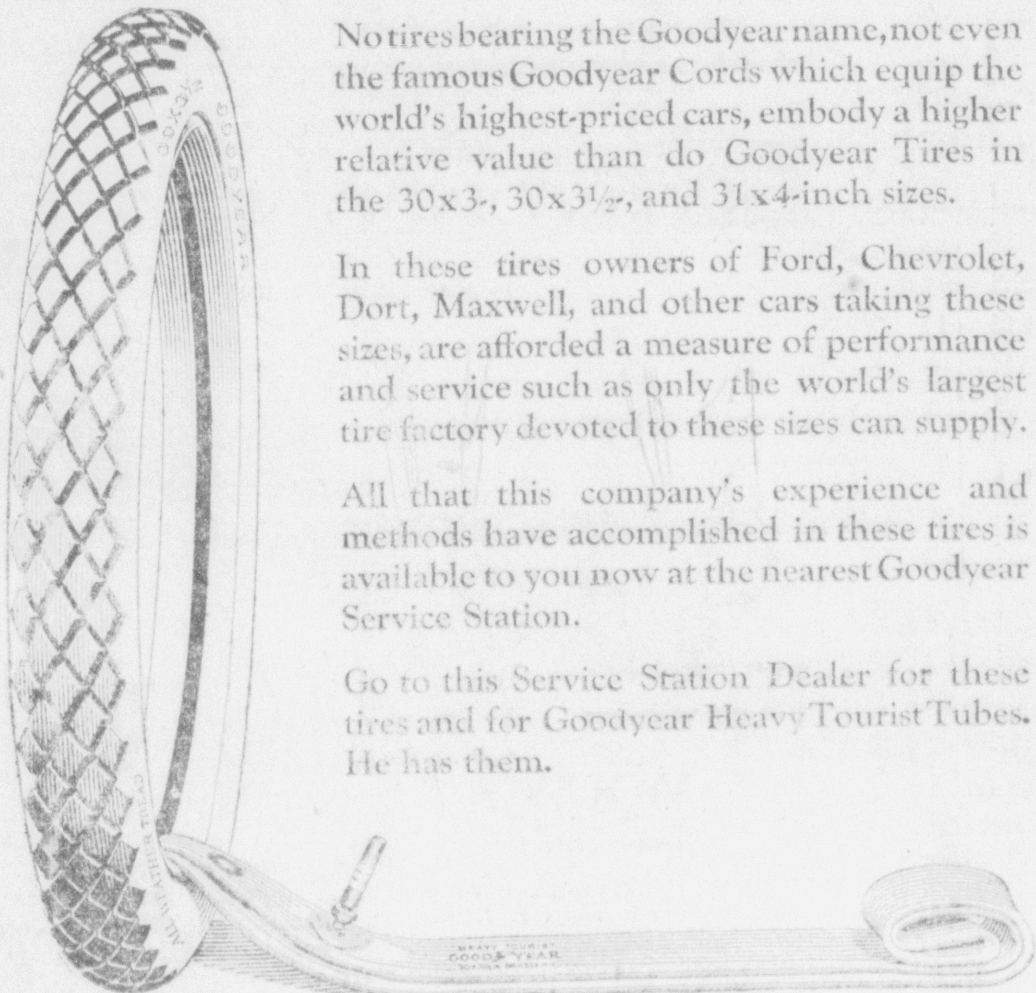

Every mechanical part is protected, and can be instantly controlled.

If you want a good electric washer—get a MAYTAG.

The Smaller Cars—and the World's Most Popular Tires

No tires bearing the Goodyear name, not even the famous Goodyear Cords which equip the world's highest-priced cars, embody a higher relative value than do Goodyear Tires in the 30x3-, 30x3½-, and 31x4-inch sizes.

In these tires owners of Ford, Chevrolet, Dort, Maxwell, and other cars taking these sizes, are afforded a measure of performance and service such as only the world's largest tire factory devoted to these sizes can supply.

All that this company's experience and methods have accomplished in these tires is available to you now at the nearest Goodyear Service Station.

Go to this Service Station Dealer for these tires and for Goodyear Heavy Tourist Tubes. He has them.

THE UNIVERSAL CAR

During all the years the Ford Model T One Ton Truck has been on the market, we have never had one complaint of rear axle trouble. We have had no complaints of motor trouble. As the motor and the rear axle are the vital fundamentals in a motor truck, we have the right to conclude that the Ford One Ton Truck has not only met the demands of business, but has done so in a satisfactory and economic way. There is no other evidence so convincing as that which comes from long practical experience. Ford One Ton Trucks are serving along all industrial and commercial lines. You will find them everywhere. If these statements were not facts, the demand for the Ford One Ton Truck would not be as large as it is, because people are not buying trucks which do not give service. Coupled with the dependability of the Ford One Ton Truck in all classes of usage, comes the economy in operation and maintenance. On the farm, in factory delivery, for the merchant, manufacturer, and contractor, in these days of modern business methods, this worm-driven One Ton Ford Truck has become an actual necessity. training will be paid by the federal board. This includes tuition, books and supplies, medical fees, and transportation from the man's home to the point of entering training, and return.

Under a recent act of congress, passed about July 1, 1919, it is not necessary for a man handicapped as indicated above, to be awarded compensation in order to be eligible for training.

11. The provisions of Section 3 of the act state that in order to be eligible for training under this section it is necessary:

1st. That the man shall be awarded compensation under the War Risk Insurance Act.

2nd. That his physical disability was incurred in or aggravated by service.

3rd. That he is able to resume his former occupation, but that he would be benefited by training along the line of his previous experience.

A man who is entitled to training under Section 3 of the act as outlined above, does not receive the monthly allowance for living expenses which is paid to men in training under Section 2. The cost of training, however, including tuition, etc., as described above, is borne by the Federal Board for Vocational Education.

For further particulars and assistance in making application for vocational training, address your Home Office, Section, Maryville, Mo., or a local agent.

PROHIBITION VOTE.

A good many inquiries are being made as to how Missouri voted on constitutional prohibition in the past.

Three times constitutional prohibition was submitted to the voters at general elections within the past ten years. The first proposition was submitted at the November election in 1910. It was defeated by 218,125 majority. The vote stood: For prohibition, 267,281; against prohibition, 425,406. The second vote was taken in November, 1916, and the proposed amendment was defeated by a majority of 132,538. The vote that year stood: For prohibition, 294,388; against prohibition, 416,826. The third and last time the amendment was submitted was at the general election in November, 1918. It was defeated by a majority of 73,964. The vote—for prohibition, 225,618; against prohibition, 297,582.

The Farmer's Work Will Soon Begin

Farmers of Nodaway County don't work very hard in winter, but when spring comes it is tireless energy from the first grey streak of dawn till it is too dark to see—and some farmers are buying machines with headlights on them.

It is from now on that the wealth of this community is produced.

It is with the greatest satisfaction that this bank contemplates the past achievements of Nodaway county agriculture, and with the utmost faith in its people to do even greater things in increased productivity in the future.

And it is with a desire to be of the most service as a financial institution to the community, that its officers and employees enter into the spirit of success that is characteristic of its people and strive to live up to the motto—"The Bank of Personal Service."

FEDERAL EDUCATION FOR DISABLED MEN

MUST BE VOCATIONALLY HANDICAPPED BY DISABILITY.

REVISION OF THE LAW

Recent Act of Congress Has Changed Many of the Rules of Eligibility for Training.

Explanation of conditions under which the Federal Board for Vocational Education is authorized to offer discharge, disabled men training under the provisions of the Vocational Rehabilitation Act.

1. The conditions under which a man is entitled to training under Section 2 of the act are as follows:

1st. The man must be vocationally handicapped by his disability; i. e., he must be so handicapped that he is unable to return to his former occupation or to some other gainful occupation and carry on successfully without additional training.

2nd. The disability must have been incurred in line of duty, or, if it existed prior to enlistment, it must have been so increased or aggravated in service that the man is unable to continue in his former vocation, or to carry on successfully in a gainful occupation without training.

3rd. The training which is offered must be such training as is advisable, considering the man's disability, and his former occupation. This training should build on the man's previous experience, if possible.

According to the revision of the law, a man so disabled as to be entitled to training as above described, will probably receive while in training, \$80 per month, if single, and \$100 per month, (or more, according to the number of dependents), if married. In addition to this amount, which is given for living expenses, the entire cost of the

Lodge Meeting.

The Rebekah lodge will meet in regular session at 7:30 o'clock tomorrow night at the I. O. O. F. hall. A good attendance is desired in order that the completion of the plans for the contest may be made.

Dinner Guests.

Mrs. John Armstrong and daughter, Miss Mina, entertained at dinner yesterday, their guests including Mr. and Mrs. R. E. Thomas, Mrs. Mary A. Gallagher and son, Robert, Mrs. George Luens and Fred Armstrong.

Announce Meeting.

The Women's Missionary Society of the First Presbyterian Church will meet at 2:30 o'clock tomorrow afternoon at the home of Mrs. Charles Jackson.

For Mrs. Caldwell.

Mrs. Edwin F. Caldwell of Burlington Junction will be the honoree at a series of parties which will be given Saturday afternoon, Saturday night and Tuesday afternoon by her mother, Mrs. George B. Baker, and her aunt, Mrs. Ed F. Wolfert, at the Baker residence on West Third street.

By Mrs. Jackson.

The Monday Afternoon Bridge Club was entertained yesterday afternoon by Mrs. Charles Jackson at her home, 611 West Third street. The winner of high score was Mrs. Clifford Powell. Additional guests for the afternoon were Mrs. Henry Foster, Mrs. Clifford Powell, Mrs. J. C. Allender, Mrs. Joseph Jackson, Jr., and Mrs. M. G. Tate.

Entertains Bridge Club.

Mrs. Edward Wright Gray and Miss Kittle Grems were guests of the Tuesday Afternoon Bridge Club which was entertained yesterday afternoon at the home of Mrs. George B. Baker on West Third street. The favor for high score was won by Miss Della Grems.

Society Meets.

Mrs. M. E. Farrar was hostess to a meeting of the Missionary Society of the M. E. Church, South, yesterday afternoon at her home on North Buchanan street. During the business session Mrs. S. S. Wolcott was received into the society as a new member. The topic for study was "The Labor Problem in America," which was led by Mrs. B. C. Holliday. Papers were read by Mrs. M. E. Farrar and Mrs. E. T. Dale. Refreshments were served by the hostess during the program social hour to the ten members present.

Circle Meeting.

"Christian Americanization—A Task for the Churches" was the title of a new text book which is to be used for study by Circle No. 2 of the First Baptist Church Auxiliary. At a meeting of the circle, which was held yesterday afternoon at the home of Mrs. W. A. Borris, the first chapter in the new text book was studied and interesting discussions followed on various topics suggested by the book. This was followed by a miscellaneous program in connection with which Mrs. B. B. Montgomery read a paper on "A Missionary Society in Ruts." About twelve members were present at the meeting.

Missionary Meeting.

Mrs. Gilbert S. Cox, Mrs. Edna O'Neal and Miss Mabel Gay were hostesses to a meeting of the Young Women's Foreign Missionary Society of the First Methodist Church, which was held at the Cox home on South Main street last night. During the business session Mrs. C. C. Loomis, vice-president, was elected president to succeed Mrs. Edwin Fletcher Caldwell of Burlington Junction, whose resignation was accepted at the February meeting. Miss Edna O'Neal was chosen vice-president. Mrs. Ed F. Wolfert was the leader for the program and also conducted the Bible study. The topic for the evening was "A Crusade of Compassion in the Near East," and leaflets were read by Mrs. Elizabeth French, Mrs. Virgil Hartness and Miss Faye Herndon. After the program refreshments were served by the hostesses to the fourteen members present.

You Saw These Knockabout Suits and Polo Coats in Vogue

Suit 4010 has consistently chosen Scotch Tweed mixtures to express the simple lines of this Knockabout suit which the tailored lady is wearing. A contrasting color to face collar and cuffs and a tiny piping of the same color through the belt add a touch of smartness.

Suit 4050 (on the lady at the left) is of Irish Hosiery, and assumes a decidedly mannish air through the cut of its collar, cuffs and pockets. And by means of two buttons on each side of the skirt it combines straightness of line with well-being comfort.

And we want you to know that we carry these coats and suits with the Wooltex label that stands for "That Well Dressed Look" for each and every type.

And you know that is really the secret of being well dressed at all times. It is having just the right costume—right for your type and right for certain kinds of occasions. Now come the Spring days and the call of the great out-of-doors when, for the greater part of each day, you will be needing a walk-

ing suit or a big soft Polo coat with a semi-sports air.

And how about your particular type? The models that bear the Wooltex label consider all types and adapt the favorites of the season to the different types. Note for instance the Knockabout suits, illustrated above—one on the strictly mannish type, another a bit more feminine. And the Polo Coat at the left with its swagger sports air; while the other Polo Coat at the right is just as smart but a trifle more dignified.

"Knockabout" No. 4010. This is another smart Polo Coat. Large, square pockets, convertible collar with self stitching and a nice broad belt make it unusual. The shoulders are true, the back straight with stitched seam down the center. It is open in back from about six inches below the waist to the hem. In the same collar as the "Pinchurat."

Guild Meeting.

The Westminster Guild of the First Presbyterian Church held its March meeting at the home of Mrs. W. F. Turner last night with Mrs. Fred

French and Mrs. Charles Jensen assisting in entertaining and serving. A business session was held followed by the program. Miss Nell Hudson, the president, conducted devotions and also the study hour the topic of which was "Alaska." Refreshments were served and a short social hour followed. Twelve members were present.

Mrs. Ogden Chairman.

Mrs. Eugene Ogden was elected chair-

man of Circle No. 2 of the Women's Auxiliary of the First Baptist Church at a meeting which was held yesterday afternoon at the home of Mrs. C. S. Foreman. The meeting was opened with devotional services which were led by Mrs. W. C. Ferguson. The circle decided to take up the text book, "Christian Americanization," for its study during the next year's work. The study for the afternoon, "Missionary Work in China," was discussed by all mem-

bers present.

Smith-Hughes Club.

The Smith-Hughes club of the Maryville High School met Tuesday afternoon after school. After a short business session, a program was given by Lillian New, De Lara McClurg, Garland Montgomery and Kathryn Sherlock. Refreshments were served by Evelyn Raines and Nova Owens.

What to do for Indigestion

"Pape's Diaphepsin" by neutralizing the acidity of the stomach, instantly relieves the food souring and fermentation which causes the misery-making gases, heartburn, flatulence, fullness or pain in stomach and intestines.

A few tablets of "Pape's Diaphepsin" bring relief almost as soon as they reach the stomach. They help regulate disordered stomachs so favorite foods can be eaten without distress. Costs so little at drug stores—Adv.

WELL KNOWN MISSOURI FOLKS

St. Louis, Mo.—"Dr. Pierce's medicine have been a wonderful help to me. Some years ago during each winter I would get run-down and cough-cold, which would leave me with a very bad cough that would bother me nearly all summer. I took Dr. Pierce's Golden Medical Discovery and it cured me so completely that I have never had any return of this condition. I have since taken Dr. Pierce's Favorite Prescription during pregnancy and afterward with wonderful results. No woman should try to go through this condition without the use of 'Favorite Prescriptions.'—MRS. M. A. HARRIS, 1429 S. Cardinal St.

A Woman's Weakness— Operation Was Advised

Carrollton, Mo.—"I was very poorly with woman's weakness. Had consulted with three doctors and they all advised an operation. A lady friend advised me to try Dr. Pierce's Favorite Prescription. I saw in the time I had taken half a bottle I was up on my feet. I took seven bottles in all and was then well enough to do all my work and feel fine. I am very stout and fat just as I did when I was young. It is certainly a grand medicine and I have often recommended it to others.—MRS. MARY HANLEY, 214 N. First St.

When Run-Down and Nervous

Chillicothe, Mo.—"For four years I had pains in my back and in the back of my head. I was all run-down and nervous. Was practically in bed for a year. My mother advised me to try Dr. Pierce's Golden Medical Discovery and took it and was helped almost at once. I only took three bottles of it and have been better ever since that time. I know it is a fine medicine.—MRS. G. C. MAPLE, 421 East First St.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

Candyland

We have purchased the Reuillard retail store and will continue to serve lunches and sell bakery goods, ice cream and confectionery.

As soon as we can buy new furnishings (which are very hard to buy on the present market) we will remodel our lunch room and ice cream parlor, and extend it to the rear of the building. We shall endeavor to make Candyland a strictly first class place where you can get the best in quality and service.

We ask for a continuance of the patronage of the Reuillard store and hope to make many new friends and customers.
